# Early Drop Off

We are excited to pilot an early drop off before care option to our Harmony families. Adding this option allows you to begin dropping off at 6:30 AM for a monthly tuition of \$80. Students will be allowed to eat breakfast and have a relaxing start to their morning inside before going to the playground at 7:30 AM. We will launch this early drop off before care option starting August 7th, 2024. Click the following link to sign up and reserve your spot!

#### Summer PB&J Drive - Food Bank

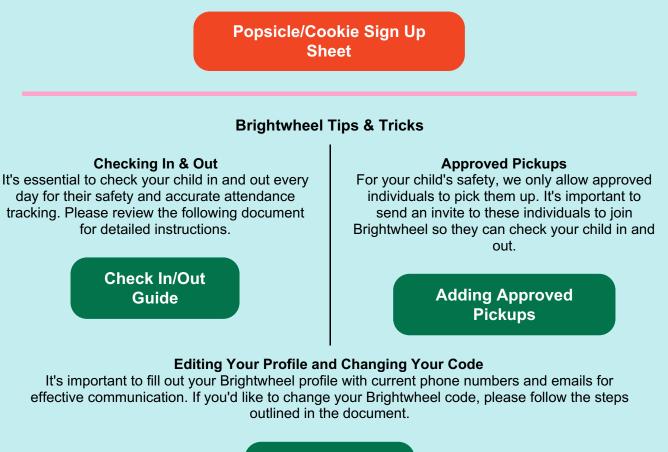

During the summer, the need for food donations is at its highest, with many food banks reporting a 30% increase in demand compared to the rest of the year due to children not getting their meals at school. This summer we're aiming to gather 100 jars of jam/jelly and 100 jars of peanut butter; if we reach our goal, we'll celebrate with a school-wide pizza

party!

Also, Friday's quarters will be donated to the food bank along with the jars.

#### Learning Through Service

Teaching children a sense of community at a young age can help instill important values of generosity and compassion. At Harmony, we want our students to see how they can make a difference in the community in which they live. Each Friday, Harmony sets aside time to teach about the importance of philanthropy. We talk with them about ways to give back to the community, while also bringing quarters to donate to the charity of the month. We celebrate giving back with popsicles or cookies each Friday! We kindly ask you to sign up to bring popsicles or cookies for these celebrations.

#### Who's On Campus?

Harmony School Staff consists of excellent, well-trained teachers dedicated to nurturing your children and helping them reach their fullest potential!

Laura West

**Chelsea Vargas** 

## **Executive Director**

Going onto 3 years as director of Harmony School, when Laura is not working hard to make sure the school is running smoothly, she's busy making sure her fur-baby Leia isn't getting into trouble!

### **Office Administrator**

Chelsea's Harmony workiversary is coming soon after moving from Miami with her fiancé, who's stationed at Shaw AFB. Chelsea's favorite things are redbull, her dog Zero, all things Disney, cows and the color pink!

Kristin Sumter Kristin has been a teacher for what feels like a million years and still can't get enough! When she's not molding young minds in the classroom, she's spending time with her daughter, Mariah.

Erin Triber Erin brings her unique blend of compassion and encouragement to Harmony students. Her favorite hobbies are camping, cycling, hiking, gardening, yoga, and wrangling her 8 children - 2 boys, a cat named Ren and 5 hens.

Claire Becraft Claire brings fun to Harmony whether she's planning PE activities for Elementary or subbing! In her free time, she rescues cats, takes care of her children, Silas and Zoe, and her aging parents.

Bonnie Watson Bonnie's favorite things about being a teacher is getting to witness a child sound out their first word and read their first book. Fun fact: Bonnie's cat, Ingrid, taught her how to read.

Angie Varela With a touch of Colombian warmth, Angie is ready to help Harmony students soar to new heights! When she's not at Harmony, she enjoys exploring South Carolina with her husband.

Shay Brown Shay is our freshly-minted music maestro with a heart full of songs! She brings her love for singing and her passion for teaching as she floats into each classroom to lend a hand.

**Tonita Hartsfield** 

**Kim Oliver** 

Tonita loves to inspire children to learn through love, encouragement, and FUN, When not at Harmony, you might find Tonita busy taking care of her plant babies and eating sushi. Kim brings her expert mothering talents that she's perfected with her own 3 children to Harmony. You might even spot her daughter, Nevaeh, around campus. Kim and family enjoy going shopping and vacationing in Orlando, Florida!

Tomika Tomika is our aftercare supervisor with over a decade of experience working with small children!

# Aftercare Teachers
